

THE WORLD REPORT ON HEARING: WHAT NEXT FOR CI ADVOCACY?

CIICA LIVE: WEDNESDAY 5TH MAY

18.00 UCT, 19.00 BST, 20.00 CET, 15.00 EST, 11.00 PST, THURSDAY 6 May, 05.00 for AEDT

The Launch of the first World Report on Hearing is a huge step forward in addressing the global crisis in Ear and Hearing Care and providing much needed evidence for advocacy work.

- What does it mean for global CI advocacy?
- What evidence does it contain about CI that we can use in our countries?

Our first CIICA LIVE session will briefly share an overview of the Report, then focus on the evidence and statements helpful for CI advocacy work and promote conversation about how we can use it in our advocacy activities. We will launch CIICA's resource: The World Report on Hearing: implications for CI advocacy?
